about me

I am highly motivated and ambitious which has been developed through my experiences and academic life, which has given me skills to work well independently and in a team. Throughout studying for a maths degree my love and passion for design has shone through all aspects of my work. I am eager to learn and tackle new challenges with an enthusiastic and positive outlook.

work experience

DWHA Magazine

Oct 17 - Dec 17

Whilst interning at Destination Weddings and Honeymoons Abroad Magazine, I worked on creating interesting pages to read, researching products to promote and producing advertisements. I also helped out invoicing our clients.

Editorial Design Assistant

AFRIL

Jul 17 - Present

With a recently updated logo, it has been my duty to redesign all of the charity's leaflets, banners and other promotional materials. I have also worked on creating their Annual Report for this year.

Graphic Design Volunteer

Oliver Bonas

Jun 16 - Present

I provide excellent customer service, through recommending products and always willing to go the extra mile. I have also enjoyed working on Visual Merchandising for the store, presenting new lines and making sure that they are to the company standard.

Team Member

Launch22

Feb 16 - Jun 16

I managed all the events that take place at Launch22. Inviting potential speakers and companies to hold events in the space. I also took on more creative roles such as designing a new marketing poster and running the companies Instagram.

Events Coordinator Internship

Walk In The Park Creative

Feb 16

Worked on a few projects including designing a marketing email, producing advertisement content for an event and planning a registration page.
